Hi Grandma (Grandpa, Aunt, etc.),

I want to tell you about the summer reading and math program we have at my school! This summer, I have pledged to read or practice math for _____ hours.

Would you consider sponsoring me for every hour I read and practice math skills? You may pledge an amount per hour or make a flat donation. 100% of the money we raise will be used towards things like field trips, technology, and classroom supplies.

Can I count on your support?
