### Online Sharon School Directory Permission

### PTA Volunteer Email List

The Sharon directory has gone green! Please indicate if you would like to be included in this year's online ~~password protected~~ directory. Available on the PTA website beginning October 1st with an option to print. Check your back to school packet for the password. The directory provides an alphabetical listing of students as well as a roster for each class. This information will not change any official records with CMS.

Receive volunteer opportunities from various committees throughout the school year. These may include one-time asks or volunteer commitments on a regular basis. This is a great way to get involved in the current year and allows you to choose what works best with your schedule, while meeting new Sharon friends and learning about different PTA funded programs.
